Product Change Notice

RE: Wire ducts

Dear Valued Altech Customer,
The purpose of this notice is to inform you on changes with the Altech Wire Duct product line.

Description of change:

The Wire Duct line has been redesigned.

Impact of change:

The new Wire Duct is slightly smaller (WxH) to offer a better fit within the panel. This is something that was repeatedly requested and is more similar to multiple competitor's sizes. Some additional features were also added like break out sidewalls instead of just breakaway fingers and wire separation nubs on taller duct sidewalls.

Reason for change:

Updating designs to refresh line and offer additional features.

Scope of change:

Entire Wire Duct product line.

Cross reference on second page.**Effective date of Implementation:**

Production has already begun so new parts will replace the original series as stock runs out.

Thank you for your understanding, if you have any questions or concerns please contact our Customer service department or me directly.
